LINLITHGOW LONGCROFT TABLE TENNIS GROUP

EQUALITY AND INCLUSIVITY POLICY

The Linlithgow Longcroft Table Tennis Group (LLTTG) is committed to encouraging and supporting anyone who wishes to play table tennis under its auspices. Anyone who makes an enquiry about joining the club is treated with respect, and at no time, from initial enquiry to ongoing membership, are any questions asked about a member's gender, sexual orientation or religion. None of these factors have any impact on the ability of a member to engage in the activities of the LLTTG and anyone is welcomed to join the LLTTG.

Where a potential member does ask questions about their ability to play table tennis with LLTTG, they are always encouraged and, as appropriate, LLTTG will do everything it can to actively encourage and support anyone to join the club and play table tennis.
